# Welcome

Here at APG Leisure we believe in simplicity, quality and integrity; creating a positive customer experience is at the core of our business.

APG Leisure are one of the UK's leading suppliers of commercial and leisure aquatic products. Over the last 10 years the company have supplied hundreds of new and existing leisure facilities with equipment such as start blocks, lane ropes, pace clocks, timing systems, aqua fitness equipment, swimwear, accessories and more...

Our experienced team are always working closely with architects, contractors, leisure management companies, local authorities, retailers, leisure centres, private pools, hotels and holiday parks, tailoring products and solutions to meet their individual needs.

Enjoy looking through the ranges we offer, and please contact us with any requirements or questions that you may have.

- Available in pink, black or turquoise

# Aquafitness

### BEboard Floating Fitness Mat

Order Code: 96150

The Beco BEboard is the latest trend in aquafitness. Approximately 2.5m in length and 90cm wide, the inflatable mat is the perfect size for all forms of water based training, including: yoga, pilates, core-training and cardiovascular exercises.

The five layer technology and stabilisation bands within the air chambers provide a perfectly stable surface, ensuring there is no bowing or twist during exercises.

The Beco BEboard exercise mat and workout area are manufactured using a non-slip EVA material. The board also features handles to attach resistance bands, these can then be used for a wider range of exercises.

#### Key Features

- 5 layer technology
- Unrivalled buoyancy
- 6 fixing eyelets

**Important note:**

The BEboard should always be at least 150cm away from the pool edge. With several BEboards in the water these should have a distance between one another of circa 1 meter. The BEboards are connected with one another and with the pool edge.

**Training objective:**

Sensorimotor function and proprioceptive sensibility.  
Coordination and balance.  
Muscular endurance. Physical flexibility. Cardiovascular training.

**Accessories:**

2 bungee ropes with snaphooks (length 96cm per rope), pump, nylon carrier bag and repair kit.

**Dimensions:**

(length/width/height):  
250x90x15cm.  
Length of exercise mat: 180cm.

**Weight:**12kg

### SharkPole

Order Code: 96057

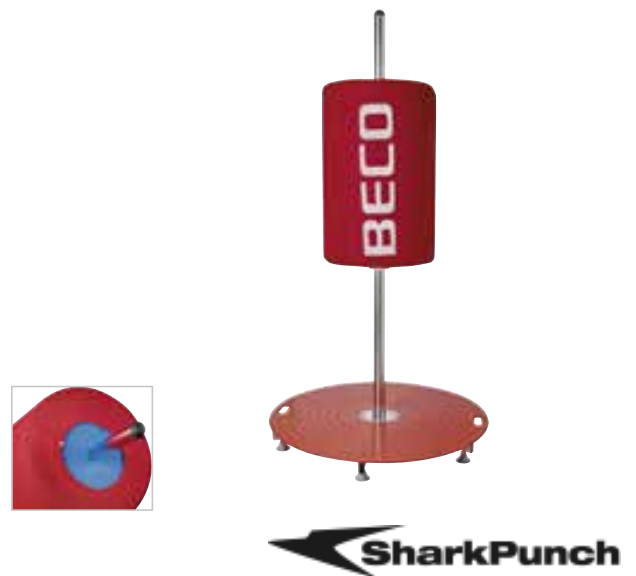

- Manufactured in PVC and high quality stainless steel
- Suitable for water depth of 130-150cm
- 1.8m in height
- 12 suction cups
- Diameter 90cm

### SharkPunch

Order Code: 96135

- Adjustable height
- Weighs 3.8kg
- Used in conjunction with SharkPole
- Diameter 50cm, height 75cm
